October Proclaimed 'Rescue Squad Month'

Teachers Study Drug Abuse

State Police Investigator R. David Jones (left) was first speaker Monday in a series planned by John McLean (right), administrative assistant, Appomattox County High School for all teachers of the county public school system. Investigator Jones spoke on the nationwide drug problem showing samples of marijuana, hashish, heroin, amphetamines and barbiturates. Mr. McLean says that each third Monday afternoon (3:30-4:30 p.m.) will be devoted to an in-service training program dealing with drug abuse. Investigator Jones said the "drug problem is here. It will not go away" (even if ignored). He urged that teachers be alert to the behavior of their pupils and be prompt to seek outside, professional help if a pupil shows any signs of being a drug user.

October is the "BIG MONTH" for the Rescue Squad members and friends as a drive begins to raise $12,500 for a new Rescue Squad vehicle and the necessary equipment. Two vehicles are presently available for use and there is a definite need for the third vehicle as many times both vehicles are called out for accidents and are not available for several hours. Mayor H. B. Pack of Appomattox and Mayor Richard Williams of Pamplin have proclaimed October as "Rescue Squad Month". Pictured above is Representative Watkins M. Abbitt shaking hands with Mayor Pack. Representative Abbitt serves as legal advisor to the Squad. Also in the picture is Doug Seamster, President of the Appomattox County Rescue Squad, at the far right, and Harry Ferguson, Jr. at the far left, Vice-President of the Squad.

Slogan Adopted 'Help Us Help You'

Mayor Henry B. Pack of Appomattox and Richard F. Williams of Pamplin have declared October "Rescue Squad Month in Appomattox County." During October Squad members, with the help of civic organizations throughout the county, plan to canvass the county to raise funds to purchase a much needed ambulance. The goal for the campign is $12,500.

Theme for the month is: "Help Us Help You." Citizens of Appomattox County are being asked to support the campaign in order that the new ambulance can be purchased. On several occasions lately the county has been without an ambulance when both ambulances were on call outside the county. In each case, both ambulances were being used to transport victims of automobile accidents. Also, on several other occasions both vehicles were called out for sickness at the same time, leaving the county without ambulance facilities.

The fund raising drive officially begins October 1st, but if anyone is interested in donating to this worthwhile cause before that date, they may do so.

Ray Noble is campaign treasurer for the $12,500 campaign.
